Old Church — New Life

13th December 2015

### The Joy of the Lord

For many of us 'Joy to the World' would be one of our favourite carols. The Christmas season is characterized ideally as a time of joy. Joy is seen through the bible especially the New Testament as a mark of God's people. In Acts, even in the midst of the most violent persecutions God's people responded with, of all things, joy!

Though the language of joy is not so used as it was, we all want to be happy. Whole conferences in recent years have been held here in Australia and elsewhere. The concept of joy in the scriptures speak to us not just of an emotion we experience in the moment, the elation we feel in the presence of someone we love or in an experience of great beauty or excitement. Joy is also an attitude, a fruit of our experience of God in the light of the gospel of Jesus Christ and our life in the Spirit. In Jesus we experience the gift of reconciliation and life. Whatever our external circumstances that a superb foundation for a life marked by joy.
