Going Forward – Prayer

At the moment I am reading 'The Book that made your world' by Vishal Mangalwadi. The book along with other timely reminders has spoken to me about the importance and effectiveness of prayer. When we come in faith to God in Jesus' name things can change somehow, someday. I was reminded again in this last week of the importance of prayer at Ken's funeral this. Last year he had written me a letter thanking Karrinyup for their care and prayers, reminding me of just how important prayer is.

The Lord's Prayer continues to be the model for our prayers as we praise our Father in Heaven and acknowledge him to be God. We pray for God's kingdom to come and change this earth for the better in and through the church and beyond. We pray for the things we need, for forgiveness and to be forgiving, and we pray for protection in the face of evil, be it the kind like IS or the kind that seeks to slowly bring us down. In Jesus name we can come in prayer and KNOW the Lord will hear us.
