**GOD, MONEY AND GENEROSITY**

Today is an opportune time as we look at Luke to consider what we have and to consider the God who provides the things we need and sometimes more. As we consider the question of giving though we also give to God in response to what he has given us in Jesus Christ. As members of the church we're encouraged to give to the cause of ministry and many of you do. As a result we gather in this building for worship and are able to run the programs we do. For those who are relatively new there are a number of ways you can support the ministry of this church. One is to use the envelopes, another is to do a direct deposit into the parish bank account or you can organize a direct debit through the Anglican Community Fund with whom we bank. The advantage of the latter is that whether you can make it to church or not, the regular cash flow enables us to go forward with ministry and to prayerfully consider what else God would have us do for him and for others.

**MISSIONS**

This month we are focused on **People Aid**. This mission program provides Sewing Machines for women in India which enables them to attend a comprehensive training course where everything that is required is provided. Afterwards they can create a business to support their families. To find out what they are doing to glorify God go to our Missions board or online to;
