Old Church — New Life

6th October 2019

### TELL THEM ABOUT IT!!

This week we received good news about a young lady we support who has been given the green light to return to another part of the world where she will serve God. Today's passage is brief, but it reminds us of the task the church has been given that is not an optional extra but meant to be at the heart of our life together. We have been blest with GOOD NEWS that is Jesus Christ, incarnate, crucified and risen we have been forgiven, reconciled, redeemed and rescued. In the face of sin, death and judgment we have been and will experience in all its fullness salvation and eternal life. Paul reminds us in Colossians that our life now is hidden in Christ, the ascended Christ who sits at God's right hand interceding for us. This is our life, hope and destiny.

It's the proclamation of this task Paul is committed to. It's why we pray for missions and missionaries, it's why we run holiday clubs and playgroups and EAL groups. We want people to meet Jesus and experience in him what we experienced by the gracious hand of God the Father. Many will not want to know, or when it gets hard will walk away or twist it into something that serves their own purposes, but we persevere and continue. To ignore this great task is to pay a price that is too high but the blessings and future that await us, that glorious mansion are surely worth it.

In a world offering so much and giving so little for so many it's time to consider again the wonder of our faith and hope in Christ and pray for the wisdom to bear witness to that hope faithfully clearly and relevantly.

Revd. Michael Stuart
