Old Church — New Life

January 2022

LOOKING BACK, LOOKING FORWARD

This we think about the visit of the Wise Men who recognised Jesus to be the new-born King promised long ago. We think about our Lord's baptism that is, in part also our baptism and will then look at a bit more of John's gospel. At the evening service when it resumes, we will look at the Lord's Prayer and how it serves as the model for our own prayers as we go forward.

As we move into the New Year many are saying yet again 'good riddance' to 2021 as we did 2020. Sadly Covid is not going away soon and it seems we have little choice but to learn how to live with it. We now have a vaccine yet many fear that more than the actual disease while new strains emerge. As always some of us will start this New Year processing the last and what we've been through. There is grief to process, lessons to be learnt and new possibilities to consider and work towards. We look back and move forward in faith, mindful or God's grace past, present and future. Challenges are ever present but what changes is the nature of those challenges. We pray for strength where we need strength, and we thank God where we can thank God for his providential mercies and the life we enjoy in Jesus Christ through the Spirit. Like our forebears, we do not know what is around the corner, but we prepare to meet it by looking to and trusting in our Lord and Saviour whom the wise men gave their gifts in worship in devotion.
